## ABOUT US

Founded in 1986, the Gospel Martial Arts Union (GMAU) has grown to include membership in all 50 states and 46 foreign countries and is one of the largest conservative Christian martial arts organizations in the world. We have seen thousands of people come to Christ and rejoiced as many churches have established Christ-centered martial arts ministries.

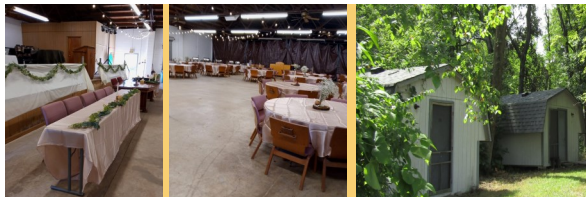

## OUR PURPOSE

We are dedicated to encouraging and assisting Christians in the martial arts who desire to develop a system of training that is Bible-centric and Christ-honoring. To that end we: produce online & hardcopy publications and resources; provide in-person and online training seminars; and host national conferences with the goal of educating, equipping, encouraging, and engaging brothers and sisters in Christ who teach and training in the martial arts and sciences.

## GMAU International Headquarters

provides grounds and facilities for discipleship, evangelistic, and outreach initiatives. Our desire is to provide a dynamic environment for people to engage the living God. GMAU HQ has a purpose and mission to:

- Glorify God
- Share the gospel of Jesus Christ.
- Serve God and serve His people who train in the martial arts by providing facilities and grounds that are dedicated to the work of God.
